New Products and Changes to current Gerstner Products for our 100th Anniversary!

This medallion will be on all 100th Anniversary Editions products built in 2006
Actual size is 1 1/2"

Gerstner is proudly celebrating turning 100 years old. In keeping with our tradition of providing the worlds best tool chests, we have made some significant changes to our products.

The following information details out these changes. For photos of changes, please scroll down. An entire list of 100th Anniversary products and pricing is at the bottom of this page.

Models 92XL, 52, 49A, 41D (all versions) & 1609:

- New upgraded finish from matte to a new semi-gloss hand buffed finish.
- Brass 100th Anniversary Medallion installed on face of chest to left of center lock
- Raised panel front lid construction (previously discontinued in 1951)
- Reproduction of original oval product nameplate - now in brass
- All hardware now polished finish. Nickel or Brass only, limited to standard chest options. No more chrome.
- Original logo lasered in mirror in top lid.
- Return to our "Eagle style" lock - previously discontinued in the 1960's - more handsome in appearance.
- Top corners on all chests - two pronged corners on front edges and 3 prongs on backs. Cleaner look.

In order to differentiate between 2005 stock and the new 2006 100th anniversary editions, we ask that orders be classified in the following manner:

If you order a "GO92XL" - we will assume you would like a 2005 GO92XL chest and will fill the order if stock is available at 2005 pricing. Once stock runs out, we will no longer fill these orders.

If you would like a 100th Anniversary edition of the same chest - you would order "[#100-GO92XL](#)" you will then receive a **100th Anniversary Edition** of that chest with all the upgrades listed above.

Note - photos and information for the LE-616 coming in January. This new Legacy Edition Serial Numbered 16 drawer chest will ONLY be made during 2006.

Note - online ordering is not yet set up for 100th edition items - please double check the product number when placing your order online. Online ordering will be updated as products become available in stock (or as 2005 stock becomes discontinued).
